About Figure Technology Solutions, Inc

Figure Technology Solutions, Inc. (Nasdaq: FIGR; OPEN: FGRS) is the leading blockchain-native capital marketplace for the origination, funding, sale and trading of tokenized assets. More than 380 partners use its loan origination system and capital marketplace. Collectively, Figure and its partners have originated over \$25 billion of loans to date, among other products, making Figure's ecosystem the largest non-bank provider of home equity financing. The fastest growing components are Figure Connect, its consumer credit marketplace, and Democratized Prime, Figure's on-chain lend-borrow marketplace. Figure's ecosystem also includes DART (Digital Asset Registry Technology) for asset custody and lien perfection, and \$YLDS, an SEC-registered yield-bearing stablecoin that operates as a tokenized money market fund.

Figure is the market leader in real world asset (RWA) tokenization. The company has received AAA ratings from S&P and Moody's on multiple loan securitizations, the first of its kind for blockchain finance. For more information, visit <https://figure.com> or follow Figure on [LinkedIn](#).
